

# French Oral Test

Beginning from **Mon. Dec. 10<sup>th</sup>** to **Thurs. Dec. 20<sup>th</sup>** Mr. Brewer will have French speaking tests based on what has been studied in class with **4A** and **4B** since September. Each student will be interviewed one-on-one. To prepare for the test there is a list below of vocabulary, questions and responses that will be on the test. Reviewing the French duo tang and home study is highly encouraged. Students who have been active participants in class should be able to answer most questions fluently as they have been practiced repeatedly and frequently in class.

The following links that have been posted on the grade 4 French blog may be useful for home study:
